The Spring Half Marathon training program begins February 28, 2026. In the past we have targeted local Florida half marathon events (travel expenses and registration for the race are the responsibility of the participant). Last couple of years we finished the program with a 13.1 mile event on our training route in South Miami, finishing at FootWorks. It was a huge hit and everyone loved breaking the finish tape in front of the store. Target event will be determined at the start of the program or shortly thereafter.

The Summer Half Training Program trains participants for the 2026 Miami Beach Halloween Half Marathon. This event marries Halloween, costume themes, and a running event! Each year features a different traditional Halloween character and unique finisher medal. Participants can run in costume and compete in one of several categories like fastest superhero, fastest monster, et al. The Summer Program begins July 11, 2026.

Our Fall Training program is our largest with over 400 participants aiming to complete the 2027 Miami Half or Full Marathon. Run your hometown and get a unique medal when you cross the finish line. Don't miss the TeamFootWorks Hospitality Village at Bayfront Park; enjoy massages, mimosas, omelettes, and more! Participants training for the Miami Full Marathon will start on August 29th while those training for the Miami Half Marathon start September 26th.
